Changing behaviors of teens and young adults is key to beating the Coronavirus Crisis.

Source: Coronavirus Care Community of Practice Webinar - Safety Plan Templates for Everyone A Survive & Thrive Guide – November 05, 2020

My suggestions to help making teens and young adults leaders in becoming part of the solution are:

- **As parents we need to help them to better understand the crisis, and how to speak out in confidence.**
- **As you presented in the webinar. Well done. Thank you**
- **Continuing curriculum in the schools**
- **Engage in conversation, make it meaningful**
- **Involvement & engagement**
- **More peer info on their favorite methods of communication.**
- **Pictures and forms**
